## UNITED STATES DEPARTMENT OF AGRICULTURE FOREST SERVICE

ADDRESS REPLY TO THE FORESTER AND REFER TO

WASHINGTON

EM Maps, Toyabe Geographic Names

April 14, 1926.

Secretary, United States Geographic Board,

Department of the Interior.

Dear Mr. McCormick:

When the next meeting of the Board is held I wish you would be so good as to have available the files of the Board relative to the name Toyabe, a range of mountains and a National Forest in the State of Nevada. We have had some correspondence with your office about this name under date of September 16, 1926.

There has been some question raised as to the Board's decision, and in order to meet a criticism with which I do not altogether agree I would like to look over the evidence we had before us at the time the change in name was made from Toiyabe to Toyabe.

Very sincerely yours,

Assistant Forester.
